His Eminence Kyabjé Drukpa
THUKSEY RINPOCHÉ

13 et 14 January 2024
in Monaco

HIS EMINENCE KYABJE DRUKPA THUKSEY RINPOCHE and his relationship with Monaco

Born in 1986 in Ladakh, His Eminence Kyabjé Drukpa Thuksey Rinpoché was recognised as the reincarnation of the first Thuksey Rinpoché, a major figure in Tibetan Buddhism.

After his exile from Tibet, the first Thuksey Rinpoché ensured the continuity of the Drukpa lineage buddhist teachings in India. He was one of the major masters of His Holiness, the 12th Gyalwang Drukpa.

Towards the end of his life, in 1982, he travelled to Europe and whereas preparing the future, he set up the spiritual foundations to allow the development of the Drukpa Lineage teachings and hence the foundation of the Drukpa Center in Plouray, which became the European Headquarters of the Drukpa Lineage and that of Saint-Agnès, close to Monaco.

Therefore his visit to Monaco always represents a very special moment.

We are very fortunate and honoured to welcome him again and receive his teachings.

His activity for the well-being of all sentient beings is vast.

His Eminence will be accompanied by Kyabje Drukpa Khamtak Rinpoche, who is in charge of a few monasteries in Ladakh.

« MEDITATION, path to Mahamudra »

The teaching will focus on progression in meditation practice to recognise the true nature of our mind. The meditation practices of Shiné (undistracted mental state) and Lhaktong (wisdom of discernment) are the paths to Mahamudra.
